CSE Core @ SRM IST KTR | Learning Data Structures, Web Dev & AI | Passionate about Building Tech Projects

New Delhi, Delhi, India

## Summary

I'm currently pursuing a BTech in Computer Science and Engineering (Core) at SRM Institute of Science and Technology, Kattankulathur. As a first-year student, I'm actively exploring the fundamentals of programming, data structures, algorithms, and computer systems.

I have a strong interest in:

Software Development

Web Development (HTML, CSS, JavaScript)

AI & Machine Learning

Competitive Programming (starting with C++/Python)

Open Source & Tech Communities

I'm focused on:

Strengthening my foundation in C/C++

Learning DSA

Exploring frontend development

Connecting with like-minded people in tech

## My Goals

Build personal and academic projects

Contribute to open-source projects

Land internships to gain real-world experience

Continuously grow as a software engineer and problem solver

I believe in consistent learning, asking questions, and taking initiative. Feel free to connect if you're also passionate about tech, or have opportunities for student collaboration or mentorship
